

Youth Age Band Group - Strategic Framework Development

Goals:	Objectives:	Strategy:	Activities	Inputs
<i>What are the objectives, if completed, going to lead to? What measurable goals has the workgroup decided on to make sure that it meets the purpose of the group? These should be SMART goals.</i>	<i>How are we going to implement our workgroup goals? How are the deliverables from the strategy going to be maintained?</i>	<i>What types of things do we need to develop to help met our objectives? What deliverables will we have after we perform the activities?</i>	<i>What steps need to happen to make sure that we can complete the strategy?</i>	<i>What do we need to make the activities happen?</i>
Goal 1:	Objective 1:	Strategy 1A:	1.A Activities	Inputs
<p style="text-align: center;">Implement a plan to reduce Jefferson County's adolescent suicide to 0% by...(?yeardate?)</p> <p style="text-align: center;">(Before this goal is finalized, re-work using the SMART format)</p> <p style="text-align: center;">Specific, Measurable Attainable, Realistic Time oriented</p>	<p>Improve resources for Adolescent Behavioral Health</p> <p>Develop the above using specific language. Also, include Metric; Metric Data Source: Current State:</p>	<p>1A. Identify and execute a plan to improve the success of youth connecting and availing themselves of community, family and school services that support their improved mental health.</p> <p>Who owns this strategy and provides leadership/accountability?</p>	<p>1A.1 Resource Map all agencies/organizations for relevant services. Perform gap analysis, determine actions to address shallow spots.</p>	<p>Develop Inputs</p>
			<p>1A.2 Explore University of Maryland’s “Quality Mental Health Care Teaming” program to: - develop a vehicle for relevant, impactful-yet-siloed activities to connect with regularity; - generate a wholistic understanding of the community's available resources.</p>	<p>Develop Inputs</p>
			<p>1A.3 Create a robust intentional, educational opportunity for adolescent discussion around suicide prevention. Consider the Zero Suicide program (an off-the-shelf program).</p> <p>Develop timelines? Who owns this activity and provides leadership/accountability?</p>	<p>Develop Inputs</p>
