Goals	Objectives	Strategy	Activities	Inputs	Resp
What are the objectives, if completed, going to lead to? What measurable goals has the workgroup decided on to make sure that it meets the purpose of the group? These should be SMART goals.	How are we going to implement our workgroup goals? How are the deliverables from the strategy going to be maintained?	What types of things do we need to develop to help met our objectives? What deliverables will we have after we perform the activities?	What steps need to happen to make sure that we can complete the strategy?	What do we need to make the activities happen?	Who ensures this strategy has resources and is accomplished?
